

## Impact wrench bit "Blue Steel", TORX® TX05, 25 mm

The "Blue Steel" TORX® TX05, 25 mm impact wrench bit from C\_k impresses with its quality and functionality as a reliable companion for professional assembly work. Made from alloyed V8 steel with a special composition for extreme strength, the bit is ideal for permanent screw connections under load. This makes the bit ideal for use in series assembly and repair processes for sensitive assemblies.

- Made of V8 alloy steel with special composition for extreme strength
- With Torsion-Control-Technology, which can withstand much higher torques
- "Blue Steel" impact wrench bits have a much longer service life
- Colour-coded for easier identification of the profile
