

ESD sweat jacket with zip, black 305 g/m², L

The ESD sweat jacket from HB is made of CONDUCTEX® Pro Knit and offers a good cut with an optimal fit and very high-quality workmanship. High functionality with very good discharge values. Thanks to the polyester content, the solid-coloured model is particularly comfortable and colourfast. The sweatshirt is marked with the ESD logo on the left arm. In addition, the knitted cuffs on the sleeves and hem give the ESD pullover a beautiful fit.

- 1-colored
- comfortable, well-fitting and conductive sweat collar
- front with zipper
- 2 side patch pockets
- modern length
- well-fitting cuffs
- EPA emblem on the right upper arm.
