

ESD punched blanks, plano, CSC base part, black, 450x270x155 mm

The ESD die-cut "CSC floor section" from HANS KOLB is a flat black floor section that has been specially developed to protect sensitive electronic components. It is ESD-compliant and reliably prevents electrostatic charges.

The 7.18 EB Cortronic floor blank has stable dimensions of 450 x 270 x 155 mm and is ideal for combining with matching containers. The robust finish ensures that the components contained are securely held and protected during storage and transportation.

Ideal for use in electronics production, laboratories and workshops, where ESD protection and safe storage are crucial.

Item no.	WL36849
Model	CSC-Bodenteil
Manufacturer	HANS KOLB
Manufacturer article no.	10022903
GPSR manufacturer data	HANS KOLB Dr.-Lauter-Strasse 2 DE-87700 Memmingen www.kolb-wellpappe.com
Sales unit	1 piece
Content unit	1 piece
Colour	black
Inner length	450 mm
Inner width	270 mm
Inner height	155 mm
ESD compliant	yes
