

## ESD drawer, 132x600x100 mm, black

---

---

Treston's ESD drawers are designed to fit all conventional drawers, magazines, carousels and industrial workplaces. Drawers of the same width can easily be stacked, even with different lengths. Transparent drawers in polystyrene (PS). The straight side walls save space and the transparent drawers make the contents visible from the outside. Drawer labels with transparent protection are included in the scope of delivery

- External dimensions W x D x H mm = 132 x 600 x 100 mm
- Inner dimensions: W x D x H mm = 110 x 557 x 90 mm
- Capacity: 5.5 litres
- made of conductive polypropylene (PP)
- A label across the entire width with a protective disc is easy to keep clean and can be replaced if necessary
- the protective discs and labels are non-conductive
- Resistant to the influence of oils, most acids and solvents
