

ESD T-Shirt round neck navy blue, 150g/m², S

The SafeGuard ESD shirts are very comfortable to wear due to the refined, high-quality cotton and are available in many sizes in our online shop. The round collar is in the same colour as the ESD shirt, the embroidered ESD logo on the sleeve is a real eye-catcher. The typical point-to-point resistance is: Rp-p: 105 - 107 Ohm. The ESD T-shirt can be washed at 40° without the use of fabric softener. Of course, the ESD T-shirts meet the requirements of DIN EN 61340-5-1.

item number	WL37158
