

ESD WB Work table, adjustable with electric motor, light grey, 1800 x 800 mm

The Treston WB series worktables are particularly suitable for use in the electronics industry. The height of the table top can be infinitely adjusted by means of an electric motor. The setting speed of the motor is 19 seconds from minimum to maximum.

- Continuous height adjustment of the table between 700 and 1100 mm
- high-quality aluminium profiles, laminated tabletop
- additional mounting plates for side and corner extension available
- Maximum load capacity up to 200 kg
- Can be set up seamlessly back-to-back, side-by-side or as a corner solution
- ESD safe
