

Desoldering gun set for TMT-2000S

- The desoldering gun generates a strong vacuum from standard compressed air to quickly and effectively extract solder from vias. Cleaning and maintenance is very easy thanks to the quick-change filter wool and solder chamber.
- High thermal utilization and efficiency
- Easy and simple maintenance
- For: TMT-2000PS, MFR-1100PS

item number	WL37501
model	DS-KIT-3
