

## LED workplace lamp Luminos, grey

---

This powerful LED workstation light from Daylight, which is equipped with a 3-step dimmer, is the ultimate light for illuminating large areas on your desk/workstation or drawing board. With one of our floor stands it is also perfectly suitable for large easels. The arm has a long reach of 112cm (44") and can be easily moved with one hand. The large screen can be easily adjusted vertically to any desired position, even horizontally and laterally. A piece of precision engineering, combined with the latest high-power LED technology, combined with robustness and durability.
