

TP/TPH SAP table trolley, 1000x700 mm, ESD

The SAP table trolley provides an easy-to-manoeuve, additional work surface. Locks on the castors allow the table trolley to be fixed firmly in place. Available in three sizes to suit different requirements. A base plate and handle to make the trolley easier to manoeuvre are available as accessories. The trolley height can be adjusted via Allen screws, so that the trolley can be adapted as required. The SAP trolley is popular for use with Treston's TP series work tables.

- A standard table trolley that is easy to manoeuvre when required.
- Powder coated steel frame (light grey, RAL 7035), load capacity 150 kg
- Three different sizes, standard version with top shelf
- A handle for easier, ergonomic handling of the trolley and a bottom shelf for additional space under the trolley available as accessories
- Height adjustment by means of Allen screws from 650 to 900 mm
- Four swivel castors (100 mm), two with brake
