

ESD polo shirt, 150g/m², dark gray, XXL

The ESD polo shirts PRO from SafeGuard not only offer you style, but also safety. With a chest pocket for practical storage and the ESD logo on the sleeve, they are not only fashionable but also meet the strict requirements of DIN EN 61340-5-1. The polo collar and button placket give this dark grey polo shirt an elegant touch. Made from 96% cotton and 4% carbon fiber, SafeGuard polo shirts offer not only comfort but also protection. With a fabric weight of 150g/m², they are light and comfortable to wear. The discharge resistance of 10⁵ to 10⁷ ohms ensures that you can feel safe in any situation. With the SafeGuard ESD polo shirts PRO, you combine style, comfort and safety in one product. Show your professional attitude towards ESD safety with this high-quality polo shirt. Get ready to always look good and be well protected with SafeGuard.

- Washable up to 40°C
