

Sintec 3 work chair, with glider and ascent aid, permanent contact

Ideal for production workplaces - the Sintec 3 work chair from Bimos. Equipped with glides and a climbing aid, the chair is higher than many other models. The upholstery elements can also be replaced. The work chair is equipped with a robust plastic seat and back shell as standard.

- Backrest height adjustment
- steel base
- Interchangeable upholstery elements
- Standard equipment: seat and back shell made of robust plastic
