

Work chair All-In-One Highline 2, castors, fabric Duotec black

The All-In-One Highline 2 work chair with castors allows ergonomic seat adjustment and is therefore very suitable for daily use. The all-inclusive ergonomics package ensures individual adjustment of the chair and the seat depth adjustment allows the thigh to rest comfortably on the seat surface. Thanks to the resistant materials and robust construction, the chair is ideal for use in industry or in research and development.

- Ergonomics package consisting of: Seat depth adjustment, seat tilt adjustment and backrest height adjustment
- steel base
