

Work chair Isitec 3, with glider and foot ring, integral foam

Description

The Isitec 3 work chair from Bimos is the ideal companion in production. It resists grinding dust, oil or chips without any problems, and the chair is also absolutely resistant, washable and resistant to disinfectants. With a seat height between 580-850 mm, this model is particularly suitable for elevated workplaces.

- seat tilt adjustment
- Backrest height adjustment
- plastic base
