

PVC floor ramp, light grey (RAL7004), 5 mm > 1 mm, 500 x 90 mm, 1 piece

Ecotile's interlocking industrial tiles are suitable as floor tiles for commercial, domestic and light industrial applications to reduce dust and noise. The application should take place on hard surfaces. The floor tiles consist of an injection-moulded composite material that is ecologically sustainable.

Important: Please note the installation instructions for ecotile floor tiles. These instructions are available under "Documents" > "Download technical data sheet".

- Ramp from 5mm to 1mm
- length 500mm, width 90 mm
- for the safe closure of exposed tiles in doors or around free-standing areas
