Open fronted storage bin, 300 x 186 x 156 mm, blue

The 300 x 186 x 156 mm open-fronted storage box from TRESTON offers a practical and clearly arranged storage solution for tools, small parts or materials. With a capacity of 5 liters, various items can be stored safely and orderly.

Thanks to the transparent front, you can keep an overview of the contents at all times, while the V-19 partitions allow flexible subdivision. The internal dimensions are 230 x 155 x 140 mm, the external dimensions are 300 x 186 x 156 mm.

The storage box is made of robust PP material and comes in blue. It is ideal for use in workshops, storage rooms or workstations that require clean, organized storage. You can also use the TRESTON 3D configurator to design your individual workstation to suit your needs.

The 1930-6 open-fronted storage box from TRESTON impresses with its functionality, stability and easy handling - the perfect solution for structured storage in industry and

trade.
