

ESD work coat 1/2 Pro Line, white, XXL

Our SafeGuard ESD coats are lightweight, breathable and therefore comfortable to wear. The Pro Line has a basis weight of 146 g/m² and is therefore slightly thicker than our Eco Line ESD gowns. In addition, the two side pockets and the hidden row of buttons are very practical, the ESD logo is embroidered on the breast pocket. The shortened length gives the ESD coat a particularly elegant look. The ESD work coat naturally meets the requirements of DIN EN 61340-5-1.

- 1/2 length of clothing
- Conductive yarn 4x4 mm pitch
- Typical point-to-point resistance $R_{p-p} = 10^5 - 10^7 \text{ Ohm}$
- Unisex design
