

Adjustable hot air piston holder, for PHB (plate 480 x 550 mm)

- enables freehand operation
- with the help of adapter piece the rework arm fits for JT- and TE-heating hose sets
- for PHB underheaters
- The Rework Arm has various joints that allow height and working position adjustment.
- Tool holder allows tilt and rotation adjustment - both vertical axis and tool holder articulation are scaled
- Hose clamp keeps the heating hose away from the working area
- PCB holder and heating hose set are not included in the scope of delivery
