

ESD floor mat black, 960 x 660 x 12 mm, flattened hemispherical studs

The ESD floor mat from SafeGuard is particularly gentle on hinges and joints and is therefore ideal for your workplace in production. In addition, there are shock- and slip-resistant as well as impact sound insulating properties. In addition, this naturally complies with DIN EN 61340-5-1.

- Top side: flattened hemispherical knobs, offer very good standing comfort and at the same time facilitate rotary movements at the workplace - gentle on ligaments and joints
- circumferentially bevelled leading edges
- shock/skid resistant, cushioning elastic, heat/ impact sound insulating
- Fire behaviour: DIN 4102, class B2
- electrostatically conductive according to DIN EN 61340-5-1

item number

WL42673

Products for the electronic industry

model	SG-BM-SCH-HNO-ODK
manufacturer	SAFEGUARD
manufacturer item number	SG-BM-SCH-HNO-DK
length	960 mm
width	660 mm
