

ESD Seat and standing aid Flex 2 with glider, integral foam, black

The ESD standing aid Flex is the practical solution for workplaces in an EPA where both sitting and standing are required. Flex has an extra-large height range for this, which is infinitely adjustable. Its ergonomic backrest and anti-slip Wave seat surface ensure a secure sitting feeling. The chair complies with the ESD standard 61340-5-1. It is solidly built and extremely resistant.

- Can be used as a stool and standing aid
- Gas spring seat height adjustment from 510-780 mm
- Plastic base with large floor glides
- Seat made of black PU foam with integrated backrest
- Seat surface 360° rotatable
- Conductive according to EN 61340-5-1
