

ESD sweat jacket long sleeve, black, unisex, XXL

With this high-quality ESD sweatshirt jacket from Warmbier your employees are well equipped for working with sensitive components in the EPA. It consists of an electrostatically dissipative cotton blend fabric, is breathable and is characterised by its pleasantly light wearing properties. The T-shirt is marked with an ESD label on the sleeve. In addition, the T-shirt is machine washable up to 40°C. It meets the requirements of DIN EN 61340-5-1.

- Fabric with conductive fibres
- With conductive cuffs
- Breathable
- Machine washable up to 40°C
- full-length zipper at collar
