Carrying bag Nylon

The nylon carrying case, model 10447477 from LEICA, is designed as a practical accessory for the ES2, EZ4, EZ4 HD, EZ4 open version and EZ4 W microscope models. It offers safe transportation and reliably protects the devices from dust, scratches and light impacts.

Thanks to the robust nylon finish, the case is durable and suitable for everyday use. It is easy to handle and ensures comfortable carrying and orderly transportation of the microscopes.
