SMD tweezers set 6 pcs

- Special tweezers for SMD technology
- high-quality precision tweezers made of stainless steel
- stainless, matt polished, antimagnetic, acid resistant

SMD tweezers set

Item no.	**WL43243**
Model	5-050
Manufacturer	BERNSTEIN
Manufacturer article no.	5-050
GPSR manufacturer data	BERNSTEIN Werkzeugfabrik Industriehof Trecknase 1 DE-42897 Remscheid www.bernstein-werkzeuge.de

Width	160 mm
Scope of delivery	6-piece set of SMD tweezers consisting of: 5-051 SMD tweezers, straight pointed, 115 mm 5-052 SMD tweezers, angled, super pointed, 110 mm 5-054 SMD tweezers, sickle-shaped angled, super pointed, 120 mm 5-058 SMD tweezers, self-holding (cross tweezers), angled, pointed, 120 mm 5-061 SMD tweezers, angled, 2 mm wide, flat tips, 115 mm 5-062 SMD tweezers, angled, flat tips with recessed gripper, 115 mm
Sales unit	1 set
Content unit	1 set
Tip shape	straight, pencil-point
VDE	no
ESD compliant	no
Tool material	stainless steel
Packaging dimensions	set
Tool length	140 mm
Tip shape (tweezers)	straight, super-pointed
