

ESD drawer container individual components, 530x360x20 mm

Thanks to its robust modular design, the ESD drawer container accommodates a large number of parts. The special electrically conductive material provides reliable protection against electric charging. The complete system consists of a transport trolley and drawer container, two drawer holders and six drawers.

- Dimension: 53x36x2 cm
- Traffic black similar to RAL 9017
- Drawer, up to 12 drawers per box
- Electrically conductive material
- Available as single components
- 12 slots for drawers
- 2-12 drawers per container
