

ESD sweatshirt, round neck, 280g/m², black, L

Our SafeGuard ESD sweatshirts are the ideal choice for a comfortable fit and safe protection against electrostatic discharge. The black unisex sweatshirt with long sleeves and a round neckline not only offers comfort, but also meets the requirements of DIN EN 61340-5-1. Thanks to the typical surface resistance of 10^5 - 10^7 Ohm and the ESD logo on the left sleeve, you are optimally protected. The knitted cuffs on the sleeves and hem also ensure a perfect fit. Made from 48% cotton, 48% polyester and 4% carbon fiber with a fabric weight of 280 g/m², this sweatshirt offers the perfect combination of comfort, functionality and safety. Treat yourself to the best with SafeGuard!

- washable up to 40°C
