ESD polo shirt, left sleeve with ESD symbol, long sleeve, 150g/m², black, XXL

The ESD polo shirts from SafeGuard in black with a fabric weight of 150 g/m² are made from 96% cotton and 4% carbon fibers. Thanks to this material composition, they are extremely comfortable to wear. The long sleeves are finished with a black cuff for added comfort. The clearly visible ESD logo is embroidered on the left sleeve, while a discreet Safeguard logo can be found on the collar. The unisex version of the polo shirt is available in different sizes.
