

## Guide tube for solder wire for AP soldering gun

The guide sleeve for solder wire for the AP soldering gun (WL19322) is an essential accessory for precise soldering work. It ensures optimum guidance of the solder wire and thus supports an even and controlled feed during the soldering process. This significantly improves the efficiency and quality of your soldering work. The sleeve is robust and durable, making it a reliable component in your soldering tool kit. Ideal for professional use, it offers easy integration into existing systems and is compatible with the AP soldering gun. Discover the advantages of this guide sleeve and optimize your soldering processes. Guide sleeve for solder wire for soldering gun AP (WL19322)

<b>Item no.</b>	<b>WL44263</b>
Model	0016985
Manufacturer	JBC
Manufacturer article no.	0016985
GPSR manufacturer data	JBC Soldering SL Ramón y Cajal 3 ES-08750 Molins De Rei www.jbctools.com
Sales unit	1 piece
Content unit	1 piece
Incl. battery	no
ESD compliant	no
