

Cleaning sponge for WEP 70 safety shelf

The cleaning sponge for the WEP 70 safety tray from Weller is an essential accessory for the efficient care and maintenance of soldering tips. The sponge reliably removes solder residue and ensures a clean working environment. Thanks to its special structure, it ensures gentle cleaning, which extends the service life of the soldering tips. The precisely fitting shape of the sponge enables easy integration into the safety rest, which optimizes the work process. An indispensable tool for precise and safe soldering.
