

ESD sweat jacket with zip, 260g/m², navy blue, XXL

The ESD sweat jacket from SafeGuard is the ideal choice for protection against electrostatic discharge. With a practical zipper and two side pockets, it offers not only functionality but also a high level of comfort. The long-sleeved jacket with knitted cuffs meets the requirements of DIN EN 61340-5-1 and features the ESD logo on the sleeve. The discharge resistance is between 10^6 Ohm and 10^7 Ohm, which guarantees reliable protection. Made from 48% cotton, 48% polyester and 4% carbon fiber, the sweat jacket is hard-wearing and durable. With its convincing design, it is the ideal choice for everyday work in electronics production.

New from us: We now offer the option of custom printing your ESD sweat jacket. Whether it's a company logo or another design - design your workwear exactly as you want it. You can find more information at <https://www.weidinger.eu/de/individuelle-bedruckung>
