

ESD T-shirt with breast pocket, round neck, 150g/m², black, L

The black ESD T-shirt from SafeGuard combines style, comfort and function in one garment. With its typical surface resistance of 10⁵ Ohm - 10⁷ Ohm, it offers reliable protection in ESD-protected work areas. The short-sleeved shirt with a round neckline is not only suitable for women, but also for men and impresses with its high-quality workmanship made of 96% cotton and 4% carbon fiber. Thanks to the Oeko Tex certification, you can not only rely on the quality of the material, but also on its environmental compatibility. The breast pocket and discreet ESD logo on the sleeve give the shirt a practical touch, while at the same time complying with the requirements of DIN EN 61340-5-1. The fabric weight of 150 g/m² ensures a comfortable fit and makes the shirt the ideal companion for everyday work. Washable at 40°C, however, you should be careful not to use fabric softener in order to preserve the ESD properties. With the SafeGuard ESD T-shirt, you are not only making a fashion statement, but also investing in your working comfort and safety. Show your sense of style and technical know-how with this unique product!

New from us: We now offer the option of customizing your SafeGuard ESD T-shirt. Whether with your company logo or another design - give your shirt a personal touch. Discover the possibilities of individual printing and stand out from the crowd. You can find more information at <https://www.weidinger.eu/de/individuelle-bedruckung>
