

## ESD T-Shirt round neck grey, breast pocket, 150g/m<sup>2</sup>, XL

### Description

The very pleasant and high-quality cotton gives the ESD shirt a particularly high wearing comfort. The breast pocket, the ESD logo on the sleeve and the processed carbon fibers distinguish the shirt. It is ideal for both women and men and their stylish companion in ESD protected workspaces. You can wash the ESD shirt at 40°C, but no fabric softener may be used. In addition, the SafeGuard ESD Shirt naturally meets the requirements of DIN EN 61340-5-1.
