

RLA adapter 66/58mm for MS5/MZ6 lenses

The RLA adapter model 30123107 from LEICA is designed for LED ring lights with a diameter of 66 mm and MS5/MZ6 objectives with a diameter of 58 mm. It enables secure and precise attachment of the ring light to the objectives and thus ensures uniform illumination for microscopic applications.

The precisely fitting design facilitates mounting and ensures a stable hold during operation. As a result, objects or samples can be optimally illuminated, which significantly improves image quality and visibility.

Item no.	WL44836
Model	30123107
Manufacturer	LEICA
GPSR manufacturer data	LEICA Mikrosysteme
