

ESD winter jacket, 130g/m², navy blue, XS

The ESD winter jacket from SafeGuard in navy blue is the ideal choice for cold days. With its soft lining and cuffs on the sleeves and hem, it offers optimum protection against the cold and is comfortable to wear. The jacket is water-repellent, long-sleeved and has two side pockets and knitted cuffs on the sleeves. It meets the requirements of DIN EN 61340-5-1 and is marked with the ESD logo on the sleeve. The zipper makes it easy to put on and take off. Made from 98% polyester and 2% carbon fiber. Convince yourself of the quality and functionality of the ESD winter jacket from SafeGuard.

- lined
- water-repellent
- washable up to 40°C
