

Set of 17-piece ratchets 8100 SB VDE 1

Incredibly compact set arrangement for lots of tools in a small space. Piece-tested ratchet, sockets and extensions in accordance with IEC 60900 at 10,000 V for safe working at the approved voltage of 1,000 V. Textile box with very high robustness and durability, can be positioned upright for clear storage on the workshop shelf. Additional surface protection thanks to textile outer material. Low weight and volume for simplified mobility. Smooth-running rotating mechanism for secure hold and easy removal of VDE sockets.

- 100 % unit-tested and insulated Zyklus VDE ratchet, sockets and extensions for safe working up to 1,000 volts
- Fine-toothed ratchet with 80 teeth for a short return angle of 4.5°
- Extremely slim design with soft, ergonomic grip zone for easy working even in very tight installation spaces
- Optimum grip and easy removal thanks to the rotating mechanism of the nut holder
- Tools and textile box protect sensitive surfaces, the box is Wera 2go compatible

Item no.	WL44877
Model	8100 SB VDE 1 Zyklus
Manufacturer	WERA
