

## ESD T-shirt, round neck, single jersey ESD logo, light gray, 3XL

---

The SafeGuard ESD shirts are very comfortable to wear thanks to the refined, high-quality cotton and a material composition of 96% cotton and 4% carbon fiber. The round black collar is a real eye-catcher, as is the embroidered ESD logo on the sleeve. The typical leakage resistance is  $10^6 - 10^8$  ohms. The ESD T-shirt can be washed at 40° without the use of fabric softener. Naturally, the ESD T-shirts meet the requirements of DIN EN 61340-5-1.
