

## ESD polo shirt (without breast pocket) with ESD symbol, unisex, 210g/m<sup>2</sup>, black, L

---

The ESD polo shirt from SafeGuard is the perfect choice for anyone looking for high-quality workwear. With its distinctive ESD symbol and SafeGuard logo on the collar, this polo shirt exudes professionalism and style. The material composition of 50% cotton, 47% polyamide and 3% carbon fibers not only ensures durability, but also makes it comfortable to wear all day long. The black cuffs give the shirt an extra touch of elegance.

Thanks to the unisex design, this polo shirt is suitable for everyone, regardless of gender. The ESD logo on the sleeve makes it clear that quality and safety are paramount here. Available in different sizes, this polo shirt offers the perfect fit for everyone. A special feature is the lack of a breast pocket, which gives the shirt a clean and professional look. See the quality and comfort of SafeGuard's ESD polo shirt for yourself. Show style and safety at work - with this polo shirt you are guaranteed to make a good impression!
