

ESD chair ERGO, fabric, black

Thanks to its moulded foam upholstery, the swivel chair type ERGO has a very good, ergonomic seating comfort and can reliably and safely dissipate personal charges to the conductive floor covering or floor mat.

- 5-star base made of polished aluminium with 5 conductive, soft castors
- Safety gas spring
- Adjustment of the seat height from 430 to 600 mm
- Adjustable seat tilt and back height
- Seat and dynamic backrest individually adjustable
- High-quality moulded foam upholstery with ergonomic backrest cushion for perfect seating comfort
- Backrest with conductive plastic shell
- ESD marking
- Load-dependent braked, soft castors
- GS-tested
