

ESD floor mat, 1000 x 1000 mm, made of PUR, with 10 mm push button, ESD marking, black

The ESD floor mat from SafeGuard is particularly gentle on hinges and joints and is therefore ideal for your workplace in production. In addition, there are shock- and slip-resistant as well as impact sound insulating properties. In addition, this naturally complies with DIN EN 61340-5-1.

- Floor mat
- flat disc profile
- new underside with ribbed profile, circumferentially slanted
- knobs flat
- structured back side
- with push button 10 mm bottom left
- ESD marking
