

ESD adhesive tape with ESD warning symbol, transparent/light blue, 12mm, 36m

The ESD adhesive tape from Safeguard is specially designed for the ESD zone and helps to prevent damage caused by electrostatic discharge to sensitive electronic components. The ESD warning symbol on the tape makes it immediately recognizable as an ESD protection product. With a length of 36 meters and a diameter of 76 mm, it fits perfectly on dispensers. The typical leakage resistance is between $10^5 - 10^9$ ohms. The ESD adhesive tape is easy to apply and remove without leaving any residue. It is ideal for clean work areas and provides reliable electrostatic discharge protection. Safeguard's light blue/transparent ESD Tape is available in various widths.

- ESD adhesive tape, transparent/light blue
- Surface resistance $10^5 \sim 10^9$ Ohm
- W = 12 mm, L = 36 m, for dispenser D = 25.4 mm

Item no.	WL47291
Model	SG-KB-TPHB
Manufacturer	SAFEGUARD
Manufacturer article no.	SG-KB-TPHB-12X36M
GPSR manufacturer data	Weidinger GmbH Hertha-Sponer-Str. 1a DE-82216 Gernlinden
Length	36000 mm
Width	12 mm
Sales unit	1 rolls
Content unit	1 rolls
Manufacturer colour information	transparent/light blue
Colour	blue, transparent
Diameter	25.4 mm
Typical leakage resistance	10 ⁵ - 10 ⁹ Ohm
ESD compliant	yes
