

ESD Polo-Shirt short sleeve, blue, unisex, M

The high-quality, electrostatically dissipative unisex ESD polo shirt from Warmbier is ideal for ESD-protected work areas. It consists of an electrostatically dissipative cotton blend, is breathable and is characterised by its pleasantly light wearing properties. The T-shirt is marked with an ESD symbol on the sleeve. Furthermore, the T-shirt is machine washable up to 40°C. It meets the requirements of DIN EN 61340-5-1.
