

Hygostar beret cap, white micromesh, 50cm, with PP shade

The Micromesh hood with visor is made of fine textured nylon and a polypropylene fleece. The Micromesh hood is light and washable. In addition, it has the highest possible wearing comfort, as it is particularly breathable. The Micromesh hood with visor is especially suitable for the production and food industry. All disposable hoods have latex-free rubber bands!

- Nylon
- Micromesh structure (micro meshes), very air-permeable and comfortable
- latex-free elastic band
- washable

Item no.	WL48619
