

Hygonorm beret-hood "Light", red, PP, 60cm

Bearded cap Bettina Light by Hygonorm The Bettina Light beret cap consists of a polypropylene fleece of light quality. It is round and has a latex-free, elastic rubber band. The beret cap is very reasonably priced and is used in the food industry as well as in hospitals and operating theatres. The Bettina Light beret cap has an extra small diameter, which makes it ideal for short hair and especially suitable for men. Features of the Bettina Light beret cap at a glance
