

Hygostar household gloves BETTINA SOFT blue, size S

Description

Household gloves Bettina Soft by Hygostar: These household gloves are made of blue, especially soft natural latex. Thus this rubber glove offers the greatest possible wearing comfort for your hands. Here both fit and wearing comfort convince. Another advantage: The cotton coating on the inside of the household glove prevents sweaty hands and keeps your skin dry. Properties of the household glove Bettina Soft:

Pure natural latex: very stretchy (not suitable for latex allergy sufferers)

cotton flocked on the inside: pleasant wearing comfort; sweating is prevented

Soft material: very good tactile sensitivity

rolled edge: catches drops with raised hands

Long cuff: (3 cm) for protection beyond the wrist

Honeycomb profile: for more grip security

Food safe: suitable for handling food
