

Hygostar household gloves BETTINA blue, Latex, size L

Description

Household glove Bettina by Hygostar: The household glove BETTINA is universally applicable. As a high-quality cleaning glove it reliably protects your hands from moisture, cleaning agents and alkalis. It is suitable for handling food and is very comfortable to wear due to the flocked inside. The high latex content ensures outstanding elasticity and extreme tear resistance. The glove is suitable for many different applications such as industry, canteen, laboratory or cleaning. The characteristics of the household glove Bettina:

Extra thick wall thickness: 0.45 mm

Long cuff: for protection beyond the wrist

High-quality latex: extremely tear-resistant and reusable

Cotton flocked: thus a particularly soft inner side; increased wearing comfort

Very secure grip: honeycomb profile on palm and fingertips

Food safe: suitable for working with food

rolled edge: catches drops when hands are raised

- Universal glove, 30cm
- latex, flocked with cotton inside
- extremely tear-resistant
- secure grip due to honeycomb profile
- with extra high latex content for best wearing comfort

- rolled edge catches drops with raised hands
- ideal fit
- for industry, household, kitchen, canteen and laboratory
