Hygonorm nitrile glove SAFE FIT, blue, size M, powder free, 200 box

Nitrile gloves Safe Fit by Hygonorm: The disposable glove Safe Fit weighs only 3g and consists of especially light and soft nitrile. It is ideal for precise work thanks to its fully anatomical fit. The nitrile glove adapts very well to your hand and - thanks to textured fingertips - ensures a secure grip. The glove is also suitable for handling food and is oil and fat resistant.

- disposable glove, 24 cm
- Nitrile, light, pleasantly soft quality, powder-free, non-sterile
latex-free and therefore suitable for allergy sufferers
- perfect fit due to fully anatomical fit, with rolled edge
- like a second skin
- no fatigue, extremely elastic
- excellent tactile sensitivity for precise work
- textured fingertips for optimum grip, very tear-resistant

- 100% food safe, oil and grease resistant
- Dispenser box
