

Hygostar latex glove SKIN, blue, powdered, size L

Latex glove Skin by Hygostar: The glove SKIN is made of latex of solid quality and powdered, which makes it more comfortable to wear. It has a rolled edge, which catches the draining drops when hands are raised. The glove SKIN is very tearproof, extremely stretchy and very resistant. It fits like a second skin. It also offers an excellent sense of touch and excellent grip. These properties make SKIN particularly suitable for laboratories, cosmetics, pharmaceuticals, food processing and care.
