

Hygostar latex glove SKIN, blue, powdered, size S

Latex glove Skin by Hygostar: The glove SKIN is made of latex of solid quality and powdered, which gives it a higher wearing comfort. It has a rolled edge, which catches the draining drops when hands are raised. The glove SKIN is very tearproof, extremely stretchy and very resistant. It fits like a second skin. It also offers an excellent sense of touch and excellent grip. These properties make SKIN particularly suitable for laboratories, cosmetics, pharmaceuticals, food processing and care.

- disposable glove, 24 cm
- Latex, strong quality, lightly powdered, non-sterile
- very tear-resistant, extremely stretchable
- fully anatomical, like a second skin, with excellent sense of touch
- excellent grip
- resistant, high tightness
- with rolled edge
- catches dripping drops when hands are raised
- Dispenser box

Article no.	WL48967
