

Hygostar latex glove GRIP, white, powderfree, size M

Latex glove Grip by Hygostar: The glove GRIP is powder-free, made of latex and of solid quality. It has a rolled edge which catches the drips when the hands are raised. The glove GRIP is very tearproof, extremely stretchy and very resistant. It fits like a second skin. In addition, its textured surface gives it an excellent sense of touch and excellent grip. These properties make the GRIP particularly suitable for laboratories, cosmetics, pharmaceuticals, food processing and care.

- disposable glove, 24 cm
- Latex, strong quality, powder-free, non-sterile
- excellent grip due to textured surface
- fully anatomical fit, with rolled edge
- excellent sense of touch for precise work
- very tear-resistant, extremely stretchable and very tough
- is considered PPE for protection against solvents and chemicals
- Dispenser box
