

Hygostar latex glove SENSE, natural, double chlorinated, powderfree, size S

Latex gloves Sense by Hygostar: The glove SENSE is powder-free and made of double chlorinated latex. This gives the SENSE a smooth surface on both sides and reduces the risk of allergies. Furthermore it makes the glove more skin-friendly and more comfortable to wear. It is very resistant, as it is particularly tear-resistant and extremely stretchy. Its rolled edge catches drips when hands are raised. The latex glove fits like a second skin and has an excellent sense of touch and grip. This glove can be used in cosmetics, pharmacy, food processing and laboratory.

- disposable glove, 24 cm
- Latex, strong quality, powder-free, non-sterile
- double chlorinated, extremely low protein content of only $<3 \mu\text{g/g}$
- low allergy and very skin-friendly
- excellent grip due to textured surface
- excellent tactile sensitivity

- very tearproof, with rolled edge
- Dispenser box

Item no.	WL49011
Model	Hygostar-26761
Model line	Hygostar Sense
Manufacturer	FRANZ MENSCH
Manufacturer article no.	26761
GPSR manufacturer data	Franz Mensch GmbH Werner-von-Siemens-Straße 2 DE-86807 Buchloe www.franz-mensch.de
Sales unit	1 PU
Content unit	100 piece
