

Hygostar VINYL gloves IDEAL LONG powder free, extra long cuff, white, size S

Vinyl glove Ideal Long by Hygostar: The glove IDEAL LONG is made of transparent vinyl with a rolled edge that catches drops when hands are raised. The glove is tearproof and very stretchy. It can be worn on both sides, has a good sense of touch and is very skin-friendly. The glove IDEAL LONG is only suitable for use with non-greasy food. Otherwise it is a cost-effective alternative for applications where frequent glove changes are required. The IDEAL LONG is particularly good for applications where better protection is required, as it provides complete forearm protection together with a protective sleeve. It is ideal for the food industry, quality control, storage, packaging, sanitary, electrical, medical and care.

- disposable glove, 30cm
- Vinyl, strong quality, powder-free, non-sterile
- latex-free and therefore suitable for allergy sufferers
- extra long cuff to protect the forearm
- very skin-friendly, good tactile sensitivity, with rolled edge

- Tear-resistant and stable
- cheap alternative to latex or nitrile
- Dispenser box

item number	WL49036
