

Hygonorm vinyl gloves IDEAL FIT powderfree, extra light quality, size M

Vinyl glove Ideal Fit by Hygonorm: The powder-free vinyl glove IDEAL FIT is made of extremely light vinyl and is therefore especially inexpensive. Your advantage: The light material gives the disposable glove an excellent sense of touch and a pleasant wearing comfort. It is an inexpensive alternative for all areas where gloves have to be changed frequently and light hygienic protection is required. It is ideal for the food industry and medical areas where skin compatibility and price play a major role.

- disposable glove, 24 cm
 - Vinyl, especially light quality, powder-free, non-sterile
 - very skin-friendly, good tactile sensitivity
 - tearproof, stable and stretchable
 - wearable on both sides, with rolled edge
- latex-free and therefore suitable for allergy sufferers
- low-cost alternative if gloves have to be changed frequently

• Dispenser box

Item no.	WL49051
